To

All establishments registered with CPCSEA

**Subject: Online payment of processing fee in place of Demand Draft in case of addition of large animal species in already registered establishments- regarding**

Sir/ Madam,

As you are aware that the application related to Registration of Animal House Facilities, Renewal of registration, Amendment in the registration for different purposes, Revision in the Institutional Animal Ethics Committee and Submission of Research Protocols for experimentation on large animals are being processed through the dedicated web-application of the CPCSEA on the receipt of respective processing fees through online payment gateway.

2. However, in case of amendment in Registration for additional species of large animals, the fee is being submitted through the Demand Draft as of now. This process is also being developed on the web application of the CPCSEA and will be processed like the other processes shortly.

3. Meanwhile, due to the present conditions of COVID19 and to avoid undue delay, the establishments which have applied or will be applying for amendment in registration for addition of large animal species are directed to deposit the fees directly into the Receipt account of CPCSEA (through net banking) instead of Demand Draft.

4. The details of the CPCSEA Receipts account is as below:

Account Name - **CPCSEA Receipts**

Account Number - **742501010050004**

IFSC Code - **UBIN0574252**

Bank: **Union Bank of India**

Branch - **Indira Paryawaran Bhawan, New Delhi – 110003**

5. This is applicable only for those establishments which are already registered with CPCSEA and are applying for amendment of registration for addition of large animal species.

Yours sincerely,

(Dr. S. K. Dutta)

Member Secretary (CPCSEA)
